### HOW IT WORKS

## A Simple, Structured 5-Step Process

- 01 Initial Meeting**  
Understand marks, board, interests, budget and preferred location.
- 02 College Shortlisting**  
Map rank/cut-off to shortlist 15–30 realistic and aspirational colleges.
- 03 Form-Filling Support**  
Guidance on choices, locking/unlocking preferences, avoiding mistakes.
- 04 Deadline Tracking**  
We monitor official sites, counselling dates and document deadlines.
- 05 Final Admission**  
We stay with you until your seat is confirmed and formalities complete.

## SIMPLE PRICING

# Choose a Package That Fits You

All prices are inclusive of GST. Refund policy available on request.

|                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                                                                                                |
